

SUBJECT: Reorganization - National Ocean Service

TO: Office of the Under Secretary
Staff Office of the Under Secretary
Administrative Delivery Points

Effective April 13, 2008, the Office of National Centers for Coastal Ocean Science (NCCOS) within the National Ocean Service has been reorganized to establish branches within the five NCCOS Centers, to establish a Center at the Hollings Marine Laboratory and to establish a branch within the Center for Coastal Fisheries and Habitat Research at the Kasitsna Bay Laboratory. There are two offices that are being renamed. The Center for Coastal Fisheries and Habitat Research at Beaufort is renamed Center for Coastal Fisheries and Habitat Research, and the Center for Coastal Environmental Health and Biomolecular Research at Charleston is renamed Center for Coastal Environmental Health and Biomolecular Research.

The organization and related code structures are revised as follows:
