

SUBJECT: Reorganization - National Marine Fisheries Service

TO: National Marine Fisheries Service  
Assistant Administrator  
Staff Office of the Under Secretary  
Administrative Delivery Points

Effective January 3, 2011, the National Marine Fisheries Service, Northeast Fisheries Science Center (NEFSC) is reorganized as follows: 1) establish the Ecosystem Assessment Program in Woods Hole and Narragansett; 2) establish a Cooperative Research Program in Narragansett and Gloucester; 3) establish Academic Programs; 4) establish a Population Dynamics Branch in Narragansett; 5) establish a Protected Species Branch in Narragansett; 6) establish Social Sciences Branches in Narragansett, Silver Spring, Boston, and New York; and 7) establish a Research Communications Branch in Gloucester.

The following will be abolished: 1) Research Planning and Coordination Office; 2) Facilities and Safety Branch (Gloucester); 3) Ecosystems Surveys Branch (Narragansett); and 4) Biotechnology Branch (Sandy Hook).

The following will have organizational title changes without changes to the related code structures:

- 1) From Data Management Staff to Data Management Systems Division (Narragansett), (Milford) and (Sandy Hook).
- 2) From Maine Field Station to Maine Field Station (Orono)
- 3) From National Systematics Laboratory to National Systematics Laboratory (DC)
- 4) From Facilities and Safety Branch to Facility Operations and Safety Branch (Narragansett), (Milford) and (Sandy Hook)

The organizations and related code structures are revised as follows:
