

SUBJECT: Reorganization - Office of the Chief information Officer/HPCC, Service Delivery Division

TO: Office of the Under Secretary  
Staff Offices of the Under Secretary  
Administrative Delivery Points

Effective May 3, 2015, the Office of the Chief Information Officer/HPCC, Service Delivery Division is reorganized as follows: 1) abolish nine organization codes within the Service Delivery Division and move all positions under organization code 54-06-01-0005-00-00-00-00, Service Delivery Division; 2) retain the Information Resources Branch within the Service Delivery Division.

In 2012, Circular 12-01 was approved to reorganize the Office of the Chief Information Officer and High Performance Computing and Communications. The functional statements were correctly posted in the NOAA Organization Handbook. However, two of the Organizational Titles were not correctly input into the NOA-094. Consequently, this circular will also serve as a tool to correct the organization titles for the High Performance Computing and Communications Division and the Resource Management Division in the NOA-094. Also, the Commerce Business System (CBS) needs to reflect the correct organization title for the Resource Management Division.

- Abolish the Data Center Branch
- Abolish the Administrative Systems Management Section
