

Travel Voucher Beginning “In Travel Status”

- Objectives:**
- Create the final Travel Voucher from Authorization for a long term TDY
 - Understand how to file multiple-vouchers

Notes:

Trips greater than 30 days will result in a dollar based obligation.

This allows multiple vouchers to be submitted against the travel authorization.

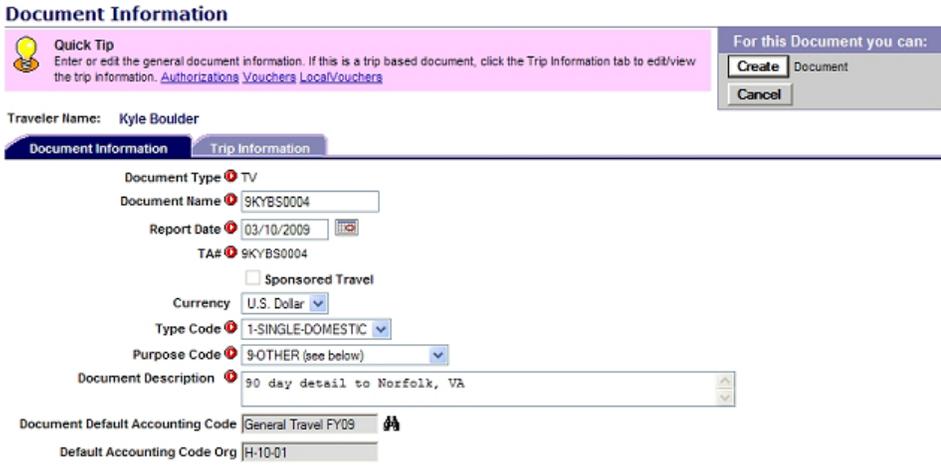

It also allows a preparer to amend the Travel Authorizations after voucher(s) have been submitted, as long as the obligation is not being reduced below what has already been paid.

Instructions: Execute the following steps:

The final 30 days of your trip have passed, and you have now returned home. Per FTR 301-52.7, if on continuous travel status, vouchers need to be filed every 30 days. Each voucher can not claim the same expenses that were previously claimed. For example, if on the first voucher you claimed the cost of the airline ticket and transaction fee, those costs can not be claimed on any other vouchers. Your POV costs include a person taking picking you up from the airport and returning you home. Your costs included the following:

- 6/15 - 25 miles one way to airport using private vehicle (POV)
- Hotel - \$96.00/night
- Hotel Tax - \$15.26/night (x30 = \$457.80)
- Parking - \$12/night (x30 = \$360.00)
- Gas – 5/25 - \$21.78, 6/15- \$43.89
- Rental Car - \$1685.26
