

Extras #11: Pre-Paid Travel Authorization

Objectives:

- Create a Travel Authorization with a pre-paid expense

Notes:

A pre-paid Travel expense is an expense directly related to a specific Temporary Duty (TDY) assignment which is incurred prior to the start of travel. It is extremely important to note the Federal Travel Regulations (FTR) and NOAA Travel Policy limits the types of expenses a traveler is allowed to claim in advance of travel. Therefore, not all travel expenses qualify as a legitimate pre-paid expense.

As a precaution, when in doubt, travelers should seek guidance from either their Travel Manager Group Administrator or the NOAA Travel Policy Office prior to incurring any expense(s) in advance of travel.

Instructions: Execute the following steps:

You've been asked to attend a seminar in Salt Lake City, UT on July 19-21. There is a registration fee that is required up front and the office credit card is currently at its limit and cannot be purchased with it. The registration cost is \$1000 and you place the cost on your card. Because this is a pre-paid cost, you will want to be reimbursed for this cost as quickly as possible.
