

CWIP Activity Database Reports

Currently there are numerous reports generated from the CWIP Activity Database – some are posted to the CWIP website

((<http://www.corporateservices.noaa.gov/~finance/CWIPDATABEREPORTS.html>) and a few are for internal use. The report numbers are in the lower left hand corner of all the reports. In addition, the reports include a note in the bottom middle that indicates the date of the data. There is also a run date of the report in the upper right hand corner of all the reports.

The CWIP Activity Database Reports are detailed on the following pages.

CWIPDB 100: Open CWIP Activities – Basic Information

This report details information related to both personal property and real property open CWIP activities. The report includes: CWIP Activity Number, CWIP Activity Title, Line Office, CWIP Activity Manager and their email address, CWIP Project Manager, Type of Property (Personal/Real), Estimated Cost, and Estimated Beneficial Occupancy Date (BOD)/ Acceptance Date. This report also includes a count of the open CWIP activities at the bottom of the report.
