FY 2022 Year-End Closing Instructions

These instructions are for closing the accounting records for the Fiscal Year (FY) ending September 30, 2022. The FY 2022 final reports will reflect all accepted accounting entries made through September 30.

To ensure the FY 2022 final reports accurately reflect the status of your organization, accounting documents and adjustment requests must reach your servicing finance office by the dates indicated in these instructions. All accounting documents and adjustment requests received in your servicing finance office after the dates indicated in these instructions must be sent through your respective Line/Staff CFO Office for pre-approval.

It is the responsibility of the LOs/SoS to review reports frequently to ensure all documents that you have sent to your servicing finance office have been recorded accurately in the Commerce Business System (CBS).

If you send a document to your servicing finance office and do not see the transaction on your reports within a reasonable time frame, contact the appropriate servicing finance office or employee who is responsible for the document as indicated on the following website:

ACCOUNTING OPERATIONS DIVISION
IMPORTANT DATES

Undelivered Orders

Undelivered orders are obligations for goods/services that have been ordered but have not been received. Obligating documents must be sent to the servicing finance office as soon as they are completed.

Obligating documents for undelivered orders must be received by your servicing finance office by September 16. Your servicing finance office will not be able to enter new obligations or modifications to obligations previously interfaced. Those must be processed through C-Suite. Please allow ample time to ensure funding availability.

EDA Grant Reservations cut off September 16.

Disbursements

Disbursement documents (invoices, vouchers, etc.) should be submitted as soon as they are received.

To ensure that a disbursement occurs in FY 2022, foreign disbursement documents must be received by September 7, and domestic disbursement documents must be received in your servicing finance office by September 15. If a disbursement document is received after September 15, it will be processed for payment in FY 2023.

If an emergency payment is required after September 15, it must be processed by the Accounting Operations Division. To qualify as an emergency payment, it must require immediate action to avoid (1) a shutdown of a NOAA mission; (2) an adverse political reaction; or (3) discontinuance of a service (i.e., utilities, telephone, etc.). All emergency payments must be certified by the Line/Staff Office Chief Financial Officers.

For questions related to emergency payments and/or copies of the Emergency Certification Form please contact Melanie Ly at 301-444-2790 or melanie.ly@noaa.gov.

Collections

Check for deposits must be received by September 16 to ensure they are recorded in CBS in FY 2022.

Checks received in your servicing finance office after September 16 will be deposited, but may not be recorded in CBS until FY 2023.
**Adjustments**
DLAs for transactions must be submitted to your servicing finance office by **September 16**. Anything after **September 16** must be approved by the Commercial Payments Branch Chief in the Eastern Operations Branch or by the Western Operations Branch Chief.

DLAs should be sent to the DLA Submission e-mail box (**DLASubmissions@noaa.gov** or **WOBDLASubmissions@noaa.gov**). All adjustments made should be in compliance with the DLA Business rules at this link:

[DLA Business Rules](#)

SLT’s (complete packages) must be received in the Funds Management Branch by 6:00 PM on **September 16**.

**Accruals**
Accruals for all obligated documents will no longer be done at a document level. Do not submit accruals for individual obligated documents.

Recur “no match” phone bills and utilities will be accrued and those files will be provided for review as done in the past. See **Recurring Payments (Utilities, Commercial Telephones)**.

**SPECIAL YEAR END INSTRUCTIONS**

**UPS and FedEx**
Accruals will not be accepted for UPS and FedEx charges. Invoices will be downloaded and processed at least through **September 15**. Costs incurred after September 15 will be charged to FY 2023.

**GSA Telecommunication Charges**
The Finance Office will create accruals using the June invoice for July, August, and September. The Telecommunications Division will distribute for review a telecommunications accrual file for the same months to the LOs/SOs. Questions concerning the file should be directed to Jonathan Johnson on (202) 807-9923 or mail to: jonathan.johnson@noaa.gov

LOs/SOs offices will return the file with material corrections/adjustments that exceed $100 to the Telecommunications Division and to the Eastern Operations Branch. The Eastern Operations Branch will make updates based on the corrections/adjustments submitted by the line offices.

**Interagency Agreements (IAGPO)**
Accruals will not be accepted for Interagency Agreements.
**Leases**

Accruals for leases should be reviewed to ensure the accruals plus prior disbursements reflect the expected annual cost by **September 15**.

For existing accounts, CBS will automatically project accruals through September 30th. New leases are not included in this projection. Submit accruals for new leases to your servicing finance office.

**Local Travel and Employee Reimbursements**

Accruals will not be accepted for local travel vouchers and miscellaneous employee reimbursements. Miscellaneous employee reimbursements must be received in the Finance Office by **September 16** to ensure payment in FY 2022. If these are received after **September 16**, they will be paid in FY 2023.

**Motor Pool**

It will not be necessary to send accruals to the Eastern Operations Branch. The last billing that is received and paid by **September 15** will be used to establish accruals. There is a very short time to process the August billing; therefore it is imperative that you forward any GSA Miscellaneous Billing Form 2559 directly to Eastern Operations Branch as soon as you receive it.

Because all accruals must have a vehicle tag number as a reference, please notify Eastern Operations Branch of the tag number and the accounting information if your office acquires a GSA vehicle that does not appear on the July billing.

**Payroll**

In early September, two payroll accruals based on Pay Period 17 will be established in CBS to reflect estimated payroll expenses through September 30. These accruals will provide Line/Staff Offices with an idea of remaining funds available for obligation or possible carryover. The estimates will be reversed and replaced with actual expenses as follows:

Pay Period 18 is scheduled to be processed and posted on September 19, 2022.

Pay Period 19 will be processed in October 2022.
**Purchase Card and Convenience Checks**

With the implementation of the Citibank SmartPay 3 (SP3) on May 4, 2019, the monthly files provided by Citibank cover from the 4th of each month to the 3rd of the next month. However, unlike our previous purchase card program Citibank will **NOT** be providing the supplemental year-end information of all purchase card transactions occurring from September 4th through September 30th. Thus, all purchase card transactions from September 4-30, 2022 will **NOT** be recorded in CBS during fiscal year 2022.

To help ensure that funds expiring on September 30, 2022 are fully utilized, purchase card holders should ensure that all purchases made with fiscal year 2022, or 2021/2022, or 2020/2021/2022 funds are made by **Friday, August 19, 2022**. This should allow sufficient time for transactions to be included in the September 3, 2022 monthly Citibank statement and flow through the purchase card interface to CBS before September 30, 2021.

*It is recommended to avoid using purchase cards after the Friday, August 19, 2022 cutoff.*

However, purchases after August 19, 2022 should **only be made with funds that do not expire on September 30, 2022**.

Convenience Check writers should ensure they provide instructions to vendors that directs them to cash any checks written with expiring funds prior to the August 19, 2022 deadline.

**Recurring Payments (Utilities, Commercial Telephones)**

FO-FSD generates a listing of projected accruals through September 30 and sends to the servicing Finance Offices. The servicing Finance Offices will distribute a listing of projected accrual transactions to the LOs/SOs by **September 12**. LOs/SoS will review the list to ensure the accruals plus prior disbursements reflect the expected annual cost.

LOs/SoS will make appropriate adjustments for items over $100 and return the list to the servicing Finance Offices by **September 20**.

**Permanent Change of Station (PCS)**

PCS orders issued in FY 2022 must be obligated using FY 2022 funds.

To obligate a PCS order, submit a CD-29, CD-150 Travel Authorization and the Estimated Relocation Expense Worksheet to the Western Operations Branch by **September 16**. Indicate on the travel authorization “PCS OBLIGATION”. Travel vouchers must be submitted by **September 14th** to ensure reimbursement will be made in FY2022.
Travel Vouchers - Temporary Duty (TDY)

Local and TDY travel vouchers must be completed and approved in E2 by **September 23**, to ensure reimbursements are made in FY 2022. Vouchers received on or after **September 24** will be paid during the first disbursement of FY 2023. Any CD-370s must be submitted by **September 12** to pay using FY22 funds. Procedures for submitting routing and non-routing travel vouchers remain the same.

Receivables: Receivables Branch Fax #: 301-713-3324

Civil Monetary Penalties

Submit a list of all cases that have legally enforceable debt but have not been transferred to the Receivables Branch for collection by **September 16**. This list should include the case number, dollar amount, Project number, and reason why the case was not forwarded.

Reimbursable Project Fund Codes “06” and “96” (Advance)

Reimbursable packages and requests for manual bills for FY2022 must be submitted to the Reimbursable Branch by **Friday, September 2**.

Reimbursable Project Fund Code “07” and “97” (Non-Advance)

Reimbursable packages for FY2022 must be submitted to the Reimbursable Branch by **Friday, September 9**.

Bills for Appropriation Refunds or Miscellaneous Purposes

Submit documentation to bill for any overpayment or audit disallowance by **September 14**. This documentation should include the name, address, taxpayer identification number, dollar amount owed, award number (if applicable), CBS ACCS, and all background information to justify sending the bill.

Depending on location, please fax documentation to:

   EASTERN OPERATIONS BRANCH - FAX number 301-713-3324
   WESTERN OPERATIONS BRANCH - FAX number 206-526-6672

Bills for Premiums and Outstanding Loans

Disbursement requests must be received by COB, **September 15**. Vendor Profiles and Pay Proceed letters must be received by COB, September 13.

Write-offs of Uncollectible Debt
Write-offs of uncollectible debt must be received by September 20. We need to know if the debt is being written off because of bankruptcy (if bankruptcy, submit a copy of the bankruptcy notice), and if the forgiveness of debt should be reported to the Internal Revenue Service.
